Dear Health Check Providers:

As of Date of Service (DOS) November 1, 2003, Health Check has no longer reimbursed Health Check providers for use of the Chatham County Lead Laboratory (Procedure Code Y0801). Chatham County Lead Lab bills Medicaid directly for any providers who choose to send their blood lead level specimens to Chatham County. If you have any questions or concerns, please feel free to call 1-800-377-3557.

Thank you for your continued participation in Georgia's Medicaid/PeachCare for Kids program.

Sincerely,

Department of Community Health
